

## CAR,CAR

I'll take you riding in my car,  
I'll take you riding in my car,  
I'll take you riding in my car,  
riding in my car.

Boys and girls, sing a little song,  
boys and girls, you sing a little song,  
Boys and girls, sing a little song,  
when you're riding in my car.

The horn goes beep, beep  
horn goes beep, beep,  
horn goes beep, beep,  
when you're riding in my car.

Engine goes brrr, brrr  
Engine goes brrr, brrr  
Engine goes brrr, brrr  
when you're riding in my car.

I wanna sit in the backseat,  
I wanna sit in the frontseat,  
frontseat, backseat,  
when you're riding in my car.

Tell you what I do, I drive so fast,  
Tell you what I do, I drive so fast,  
Tell you what I do, I drive so fast,  
riding in my car.

So I'll take now to the airport,  
I'll take you now to the airport,  
I'll take you now to the airport,  
Fly into the sky.
