

Sailing

I am flying

I am flying

Far away now

'Cross the sky

I am flying,

Stormy weather

To the country,

I will be

I am flying,

I am flying

Like a bird

'Cross the sky

I am flying,

Passing high clouds

To the country,

I will be

Can you hear me, can you see me

Through the dark night, far away

I am flying, together flying

To the places, far away.

Can you hear me, can you see me

Through the dark night far away

I am flying, together flying

To the places, here I come

We are flying, we are flying
Home again now
'Cross the sea
We are flying
Stormy weather
To my home town,
I will be

To my home town, I will be
To my home town, I will be
To my home town, I will be
